

## REMARKS

### Status of Claims

Upon entry of this paper, the status of claims 2-6, 8-9, and 13 is "canceled" and the status of claims 1, 7, and 10-12 is "pending".

### Support for Amendments

Claims 8-9 and 13 are canceled by this paper. No new matter is entered.

### No New Issues for Consideration

Applicants respectfully request entry of this paper as it presents no new issues for consideration. The amendment cancels claims 8-9 and 13.

### Response to Advisory Action

The Advisory Action of July 12, 2007 indicates that claims 1, 7, and 10-12 would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claims. Applicants respectfully traverse the rejection of claims 8-9 and 13. However, in order to advance prosecution of the allowable claims, claims 8-9 and 13 are canceled upon entry of this paper. Applicants reserve the right to pursue any canceled subject matter in one or more additional applications claiming priority from the present application.

## CONCLUSION

Based on the foregoing remarks, Applicants respectfully request allowance of this application.

**AUTHORIZATION**

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Amendment to Deposit Account No. **50-3732**, Order No. 13566.105017.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No. **50-3732**, Order No. 13566.105017.
